

FAQ's Why a Corsair Trimaran?

BE INFORMED

I'm ready to buy a Corsair trimaran right now! I know which model I want but would like to speak with an experienced Corsair Dealer first to understand the purchasing logistics and after sales. What should I do first and how do I find a dealer nearest me?

A: Easy! Corsair Marine has a global network of dealers ready to assist you and answer questions you may have from the beginning of your purchase through to the delivery and even launch of your new Corsair trimaran. Our experienced dealers own Corsairs and are constantly in the process of buying one or even several. They have raced or cruised them, organized sailing clinics and regattas with them. Everything you need to know about buying and owning a Corsair, your dealer is there to help you.

Why is it so great to have the option of a folding trimaran?

A: It's great because it's foldable so therefore trailerable. When folded up it is easy and very convenient to berth. Basically, it's great because of its convenience and cost efficiency due to its incredible versatility.

Can I sleep with my family/friends aboard a Corsair trimaran?

A: Absolutely. Not only can you sleep aboard one of our boats but you can pull it right up to any beach or just off the beach giving you access to the best of both worlds, on the water and convenient access to the land.

Is my trimaran high enough performance to race?

A: Corsair models are renown for their high performance capabilities and in all sorts of conditions! In fact, even on a gentle puff of wind they move quite quickly. As well as being high performing and super competitive, they also provide you and your crew with the necessary room, comfort, handling and structural reliability.

Where can I keep my trimaran?

A: On a mooring; beached at your favorite secret spot or anchored there as well; folded in a berth or on a trailer at home! Due to its versatility, it's really up to you!

A: Contact your nearest dealer for Corsair Community information.

What is the Corsair global Owners Community?

A: We have a number of [Corsair owners](#) around the world that organize or host regattas and sailing 'Safaris'. Corsair also regularly sponsors events in conjunction with host Yacht Clubs.

I know trimarans are safe but what do they offer me over a mono hull or a catamaran?

A: Corsair designs have an excellent safety record due to their stability, unsinkability and conservative rigging. A Corsair trimaran unlike a monohull or a catamaran offers you versatility with its uniquely patented folding design, accessibility to places boats with fixed keels and fixed dagger boards/rudders could not access (resulting in true solitude and escape), beachability for those who enjoy stepping directly onshore and best of all, affordability. Everything you could possibly want in a 'form follows function' design.
